Growing Season

The weather was excellent in 2021, with mild temperatures at the end of the growing season allowing time for maturity to occur. Early rains in January and February were followed by almost no precipitation for the remainder of the season. Although the yields were lighter due to smaller clusters and berries, this year will be remembered for its high intensity, exceptional balance and freshness. Expected to be a top vintage for all of Napa Valley.

Sensory Profile

This inaugural release of Beverly's Bubbles features vibrant aromas of yellow apple, ripe pear and honeysuckle. On the palate, delicate notes of fresh brioche, marzipan and vanilla intermingle with fruitful undertones of apricot and lemon zest. Produced in méthode champenoise, this wine exhibits a full, rich mouthfeel and a lingering finish.
